## MEMBERSHIP 2023

### MEMBERSHIP TYPE

If you are a new member, we need you to please complete a new member form. If you are renewing your existing membership, we only need you to complete a renewal form.

### RATES

2023 Subscriptions are as follows: Main Member R200.00 per annum. Discounted rate for family members living at the same address as the main member are R150.00 per person per annum. There are no admin or once off joining fees. Fees are renewable in January of the following year by submitting a new membership form and payment.

### PAYMENT

When making payment, please ensure to use your surname+subs as the reference and attach a copy of the payment to the application. Applications can be emailed to [nickcoetzee1980@me.com](mailto:nickcoetzee1980@me.com), or alternatively can be handed to any committee member.

### CYCLING SA MEMBERSHIP

Unlike the running community, Cycling SA does not allow membership registrations at club level on your behalf. You are required to do the membership yourself. Only those who are a member of an affiliated club may get Cycling SA membership. You need to either download the phone APP for Cycling SA , or go onto their website [www.cyclingsa.com](http://www.cyclingsa.com) and register. Once this has been done and you have done your payment, we will get a notification to confirm your membership status with Summit. Once that is confirmed, you will then have Cycling SA membership for the year. Cycling SA membership does not work on fiscal year, it runs for a full 12 months from date in which you purchased your membership. Cycling SA membership is required in order to do certain CSA Sanctioned events, but for the most part, you are able to purchase a day license for any event. Having Cycling Sa membership though does assist with seeding for events.

### I LOVE BOOBIES

We are very proud to note that we are official ambassadors for I Love Boobies. It is a charity assisting with breast cancer and a very worthy cause. In due course we will run charity events to help raise funding for I Love Boobies – TBA closer to the time.

### SUMMIT CYCLING KIT

We are currently in the process of making some minor alterations to our current kit to make it even better. As a result, kit is not able to be ordered at the moment. We will advise as soon as kit is ready to be ordered again. Our signature lumo yellow kit will remain for most rides. We are introducing a lumo pink option which will be in aid of I Love Boobies. And then we will also have a black option MTB kit for those that LOVE the dirt. Kit will remain standard across the board so that all kit looks part of the same club.

**Yours In Cycling,**
